Berry Beautiful manufactures red raspberry seed oil from red raspberry seed that is grown in the Pacific Northwest. We dry the seed and press the seed for oil ourselves. We do NOT test on animals, use any additives, enzymes, chemicals (including preservatives), solvents or process aids of any kind in the manufacture of our red raspberry seed oils. The shelf life of our red raspberry seed oil is guaranteed for two years from the date of production if the product is stored in the unopened original container at or below 22° C and protected from light. Berry Beautiful excludes implied warranties of merchantability and of fitness for a particular purpose. Berry Beautiful liability is limited to the cost of the raw material and under no circumstances shall Berry Beautiful be liable for any special, incidental, indirect, consequential or punitive damage, loss, or expense.
